

UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

JAIME GARCIA TRUJILLO,

Plaintiff,

v.

TONY AVIS HAY SERVICE, et al.,

Defendants.

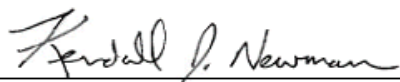

No. 2:21-cv-1446-MCE-KJN

SUPPLEMENTAL ORDER

On April 4, 2023, the court heard arguments regarding plaintiff's motion for sanctions against defendant Joe Avis Farms, LLC. (ECF No. 41.) After the hearing, the court issued its order for defendant to, among other things, "produce, within forty-five days, electronic data reflecting payroll data in response to plaintiff's RPD No. 5." (ECF No. 43.) Thereafter, counsel for plaintiff contacted chambers to ask whether the order also requires Joe Avis Farms "to produce electronic wage statements in response to RFP, No. 6, within 45 days," as was discussed at the hearing. The court's understanding is that these electronic wage statements are part and parcel with the electronic payroll data, and so the previous order would cover both sets of data. However, to the extent ambiguity exists, Joe Avis Farms is ordered to produce electronic wage statements alongside the electronic payroll data, as requested in Request for Production No. 6.
